Mar 17, 2019 is this smartphone dead recovery just hang at boot logo or recovery also has some bugs. I have also chatted with some experts from other manufacturers and customiser / flashing some technical guys there. They tell me that your phone is also not dead recovery. Need more effort to troubleshoot. If you can try to flash the stock ROM of itel s13 in to your phone and try your luck. If not, i suggest you to download the stock recovery file from the itel support page. i could tel you, that your phone is not dead.
